Providing A Fair Share Of the Funding Needed For Universal Primary Education		D
Committing To the Fast Track Initiative		C
Focusing On Poorest Countries Where Girls Most Lack Access to Education		C
Providing High Quality Aid to Education		C

## Teacher's Remarks:

*Guy slipped down the class this year. The main reason for this drop is his patchy performance in backing low-income countries, and especially those where girls are at a disadvantage. He is clearly not reaching his potential and may be neglecting this subject after his turn as class rep of the FTI Partnership last year. Hopefully his increases to Overseas Development Assistance overall will result in a boost to his grades on basic education in poor countries.*
