Quality Inputs	<i>F</i>	<i>148</i>
Equal Opportunities	<i>F</i>	<i>153</i>
Transparency and Accountability	<i>D-</i>	<i>115</i>

### Teacher's Remarks:

*This tragic picture shows clearly how the ravages of war take their toll on educational systems. Yet we do know that education is one of the things that populations of war-torn countries desire most, and that it is crucial for peace-building. Hard to know what to advise in this situation, but don't neglect education even when times are bad.*
